This three-bedroom, one bathroom home is ready for you to tour today! You won't be disappointed with the low maintenance this home offers because the hard work has already been done. Vinyl siding, single-hung windows to make cleaning easier, and a new deck are some awesome outside features. Can't you just see yourself relaxing on your deck with your coffee or tea while enjoying the sunshine? Inside, you will find brand new, with the tags still on them, stainless appliances, including a refrigerator, dishwasher, range, and microwave. New laminate flooring throughout the home. Recently, freshly painted with neutral colors and white trim throughout. Open-floor plan with the eat-in kitchen/dining rooms open to the living room. Oak kitchen cabinets with a lower, Lazy-Susan cabinet in one corner. You can walk through the bathroom, and you find the laundry room/mechanical room. Larger primary bedroom offers a "step-in" closet with ample room for a "shoe rack" to be added.
